

# Certificate of Achievement

This is to certify that

**Renan Larrieu de Abreu Mourão**

participated in the Latin American Space Challenge (LASC) from 2019 to 2022 as a member of the Grupo de Foguetes do Rio de Janeiro (GFRJ). His achievements include:

- 1st Place in the Experimental Rocket Launch Challenge – 3 km Apogee category in 2019.
- Recipient of the *Award for Technical Excellence* in 2022 with the Best Experimental Rocket Project.

This certificate recognizes Renan's outstanding contributions to aerospace innovation and excellence.
