

Certificate

of participation in the virtual “SummerSchool ARS22”

Concepts for Climate Resilient and Climate Neutral Cities

August 29 to September 12 in 2022

organized by the Institute of Distance Learning
of Berlin University of Applied Sciences in Germany.

This certificate confirms that

Renan Larrieu de Abreu Mourão

successfully completed the group design
challenge “Campus Information Pavilion” - the
final part of the program of ARS22 for the students.
The participation of this digital summer school is
equal to 5 credit points (ECTS).

Berlin, September 22, 2022

Director of the Institute of Distance Learning
Berlin University of Applied Sciences
